

## Financial Support Your Personal Budget

If you are unable to pay your rent because you have lost your job or your income has been reduced, we ask you to immediately contact your Income Officer on 020 8354 5500 who will do whatever we can to help.

For us to understand how your new financial position affects your ability to pay your rent and decide how best we can support you, we recommend that you draw up your personal budget.

National Debtline provides a free online budgeting tool, located at **www. Nationaldebtline.org** 

- Click **Start your budget** and then fill in your personal details.
- You can partially complete your personal budget and come back to it at any time by creating an account.
- Once your personal budget is completed, upload a copy and send it to your Income Officer by email.
